My deepest desire last week was to have at least one cable news network mention our stories.

Sean Hannity recognized me in the crowded spin room after the debate Wednesday night and had his cameraman zoom in on me as he heaped praise on our videos. Here are some highlights:

During the debate Donald Trump mentioned our videos: <https://www.youtube.com/watch?v=WUDWTJeSmSc>

After the debate Don Trump Jr. tells Sean Hannity “Project Veritas” is a national treasure doing a great service:

I had the opportunity to challenge the corporate mainstream media who I am told are afraid of retaliation from a Hillary administration: <https://www.youtube.com/watch?v=Dfnk2A8gUPM>

Donald Trump gives us the credit: <https://twitter.com/JamesOKeefeIII/status/789184760933339140>

Megan Kelley on FOX defended us against DNC Chair Donna Brazille: <https://www.youtube.com/watch?v=G-rJiPlqGhg>

The White House and Hillary herself have been questioned about our videos:

Hillary runs away when asked about our videos on her airplane:

And no matter how much they attack me, the messenger, the message caused two high ranking Democratic dark money operatives to resign without contradicting a single word in our reports. <https://www.washingtonpost.com/news/post-politics/wp/2016/10/19/two-democratic-operatives-lose-jobs-after-james-okeefe-sting/>

And even the New York Times had to cover this story: <http://www.nytimes.com/2016/10/20/us/politics/dnc-video-trump-rallies.html>

What a week and this is just the beginning.

Watch for more on Monday!
